WHEREAS, the City of Santa Cruz, a municipal corporation, (the “Borrower”) is seeking financing under the Infrastructure State Revolving Fund Program (the “ISRF Program”) requesting $25,000,000 for financing eligible project costs of certain components of the Santa Cruz Safe and Reliable Drinking Water Project, as more fully described in Attachment A hereto (the “Project”); and

WHEREAS, the Borrower and the Project meet all applicable eligibility requirements, for infrastructure projects, mandated by the IBank Act and by the Criteria, Priorities and Guidelines for the Selection of Projects for Financing under the ISRF Program, dated February 23, 2016 (the “Criteria”); and

WHEREAS, pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and those U.S. Treasury Regulations implementing such provisions (collectively, “Federal Tax Law”), any funds incurred or expended by the Borrower for the purpose of financing costs associated with the Project on a long-term basis using proceeds of tax-exempt bonds or other tax exempt obligations may be reimbursed from the proceeds of the ISRF Financing (as defined below) provided that the applicable requirements of Federal Tax Law are met (the “Reimbursable Expenditures”).

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the California Infrastructure and Economic Development Bank (the “Board”), as follows:

Section 1. The above recitals are true and correct.

Section 2. Pursuant to this resolution (this “Resolution”), the Board authorizes and approves providing a financing under the ISRF Program in a principal amount not to exceed $25,000,000 to the Borrower for the costs of the Project (the “ISRF Financing”), subject to the execution of a financing agreement between IBank and the Borrower and associated loan documentation (collectively, the “Financing Agreement”). Such Financing Agreement shall reflect the Board-approved financing terms and conditions as set forth in Attachment B hereto.

Section 3. All actions heretofore taken by the officers and employees of IBank with respect to the consideration and approval of the ISRF Financing are hereby approved, confirmed and ratified. IBank’s Executive Director (the “Executive Director”) or the Executive Director’s
assignees, each acting alone, is hereby authorized and directed, jointly and severally, to perform their duties, provide funding, take actions and execute and deliver the Financing Agreement and any and all other financing documents and instruments which they may deem necessary or desirable in order to (i) effect the financing of the Project; (ii) facilitate the transactions contemplated by the ISRF Financing; and (iii) to otherwise effectuate the purposes of this Resolution.

Section 4. This Resolution shall not be construed as an unconditional commitment to finance the Project, but rather IBank approval pursuant to this Resolution is conditioned upon entry by IBank and the Borrower into the Financing Agreement, in form and substance satisfactory to IBank, within 180 days from the date of its adoption. Such satisfaction is conclusively evidenced by IBank’s execution and delivery of same.

Section 5. For purposes of assisting the Borrower in seeking reimbursement for any Reimbursable Expenditures pursuant to Federal Tax Law, the Board hereby declares its reasonable official intent to use proceeds of tax-exempt bonds to reimburse the Borrower for any such Reimbursable Expenditures. This declaration is made solely for purposes of establishing compliance with applicable requirements of Federal Tax Law. This declaration does not bind IBank to provide the ISRF Financing or to reimburse the Borrower any of its Project expenditures.

Section 6. This Resolution shall take effect immediately upon its adoption.
