

RESOLUTION NO. 14-11

RESOLUTION OF THE CALIFORNIA INFRASTRUCTURE AND ECONOMIC DEVELOPMENT BANK BOARD OF DIRECTORS PROVIDING FINAL APPROVAL OF AN INFRASTRUCTURE STATE REVOLVING FUND PROGRAM FINANCING IN AN AMOUNT NOT TO EXCEED \$12,000,000 FOR THE CITY OF PITTSBURG

WHEREAS, the California Infrastructure and Economic Development Bank (the “IBank”) established and existing pursuant to the Bergeson-Peace Infrastructure and Economic Development Bank Act (California Government Code Section 63000 and following) (the “IBank Act”), for the purpose of, among other things, providing financial assistance to eligible projects; and

WHEREAS, the City of Pittsburg (the “Borrower”) is seeking financing under the Infrastructure State Revolving Fund Program (the “ISRF Program”) requesting an amount not to exceed \$12,000,000 for financing eligible project costs of the Water System Modifications Project, as more fully described in Attachment A hereto (the “Project”); and

WHEREAS, the Borrower and Project meet all applicable eligibility requirements, for infrastructure projects, mandated by the IBank Act and by the Amended and Restated Criteria, Priorities and Guidelines for the Selection of Projects for Financing under the ISRF Program, adopted on October 29, 2013 (the “Criteria”); and

WHEREAS, pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and those U.S. Treasury Regulations implementing such provisions (collectively, “Federal Tax Law”), any funds incurred or expended by the Borrower for the purpose of financing costs associated with the Project on a long-term basis using proceeds of tax-exempt bonds or other tax exempt obligations may be reimbursed from the proceeds of the ISRF Financing (as defined below) provided that the applicable requirements of Federal Tax Law are met (the “Reimbursable Expenditures”).

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the California Infrastructure and Economic Development Bank (the “Board”), as follows:

Section 1. The above recitals are true and correct.

Section 2. Pursuant to this resolution (this “Resolution”), the IBank authorizes and approves providing a financing under the ISRF Program in principal amount not to exceed \$12,000,000 to the Borrower for the costs of the Project (the “ISRF Financing”), subject to the execution of a financing agreement between the IBank and the Borrower and associated loan documentation (collectively, the “Financing Agreement”). Such Financing Agreement shall reflect the Board-approved financing terms and conditions as set forth in the staff report accompanying this Resolution. In addition, such Financing Agreement shall provide that the City must obtain IBank consent prior to taking action to lower required reserves below the City’s current minimum of 30% of operating expenses.

Section 3. All actions heretofore taken by the officers and employees of the IBank with respect to the consideration and approval of the ISRF Financing are hereby approved, confirmed and ratified. The IBank's Executive Director (the "Executive Director") or the Executive Director's assignees, and each of their authorized, designees, deputies, agents and counsel each acting alone, is hereby authorized and directed, jointly and severally, to perform their duties, provide funding, take actions and execute and deliver the Financing Agreement and any and all other financing documents and instruments which they or counsel to the IBank may deem necessary or desirable in order to (i) effect the financing of the Project; (ii) facilitate the transactions contemplated by the ISRF Financing; and (iii) to otherwise to effectuate the purposes of this Resolution.

Section 4. This Resolution shall not be construed as an unconditional commitment to finance the Project, but rather IBank approval pursuant to this Resolution is conditioned upon entry by the IBank and the Borrower into a Financing Agreement, in form and substance satisfactory to the IBank and its counsel. Such satisfaction is conclusively evidenced by the IBank's execution and delivery of same.

Section 5. For purposes of assisting the Borrower in seeking reimbursement for any Reimbursable Expenditures pursuant to Federal Tax Law, the Board hereby declares its reasonable official intent to use proceeds of tax-exempt bonds to reimburse the Borrower for any such Reimbursable Expenditures. This declaration is made solely for purposes of establishing compliance with applicable requirements of Federal Tax Law. This declaration does not bind the IBank to provide the ISRF Financing or to reimburse the Borrower any of its Project expenditures.

Section 6. This Resolution shall take effect immediately upon its adoption.

PASSED, APPROVED, AND ADOPTED at a meeting of the Board of Directors of the California Infrastructure and Economic Development Bank on August 19, 2014, by the following vote:

ATTACHMENT A

Description of the Project

Generally, the Project involves the costs of modifications to the Pittsburg Water Treatment Plant involving installation of approximately 9,100 feet of transmission lines. More specifically, the Project consists of the following components:

- Pittsburg Water Treatment Plant ("WTP") Sludge Handling/Filter Backwash, Phase 1 will provide modifications for WTP's sludge handling and drying beds required to handle higher plant production levels as a result of future system growth.
 - Location: 300 Olympia Drive., Pittsburg, CA
- WTP Modifications needed to help reduce taste and odor problems, improve the drinking water treatment process, and pre-treat the well water coming into the WTP.
 - Location: 300 Olympia Drive., Pittsburg, CA
- Southeast Hills Water Transmission Line will provide 6,000 feet of a new water transmission line to meet domestic and fire flow requirements for existing water customers and new development in the southeast hills and infill development in Zone 2.
 - Location: Buchanan Road to Ventura Drive, Pittsburg, CA
- West Central Subarea - Western Loop will improve water system reliability in the northwest portion of the City with the addition of 2,800 feet of 16-inch water line and 300 feet of 8-inch water line.
 - Location: Loftus Road and Hanlon Way, Pittsburg, CA
- Other components necessary or desirable in connection with an infrastructure project of this type and that are consistent with the applicable requirements of the IBank Act and the Criteria.
