### **RESOLUTION OF THE CALIFORNIA INFRASTRUCTURE AND ECONOMIC DEVELOPMENT BANK BOARD OF DIRECTORS PROVIDING FINAL APPROVAL OF AN INFRASTRUCTURE STATE REVOLVING FUND PROGRAM FINANCING IN AN AMOUNT NOT TO EXCEED \$3,200,000 FOR THE CITY OF HALF MOON BAY**

**WHEREAS**, the California Infrastructure and Economic Development Bank (“IBank”) was established and is existing pursuant to the Bergeson-Peace Infrastructure and Economic Development Bank Act (California Government Code Section 63000 and following) (the “IBank Act”), for the purpose of, among other things, providing financial assistance to eligible projects; and

**WHEREAS**, the City of Half Moon Bay (the “Borrower”) is seeking financing under the Infrastructure State Revolving Fund Program (the “ISRF Program”) in the amount of \$3,200,000 for financing eligible project costs of the City Corporation Yard Acquisition and Modernization Project, as more fully described in Attachment A hereto (the “Project”); and

**WHEREAS**, the Borrower and Project meet all applicable eligibility requirements for infrastructure projects mandated by the IBank Act and by the “Criteria, Priorities, and Guidelines for the Selection of Projects for Financing under the Infrastructure State Revolving Fund (ISRF) Program,” dated February 23, 2016 (the “Criteria”); and

**WHEREAS**, pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and those U.S. Treasury Regulations implementing such provisions (collectively, “Federal Tax Law”), any funds incurred or expended by the Borrower for the purpose of financing costs associated with the Project on a long-term basis using proceeds of tax-exempt bonds or other tax exempt obligations may be reimbursed from the proceeds of the ISRF Financing (as defined below) provided that the applicable requirements of Federal Tax Law are met (the “Reimbursable Expenditures”).

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the California Infrastructure and Economic Development Bank (the “Board”), as follows:

**Section 1.** The above recitals are true and correct.

**Section 2.** Pursuant to this resolution (this “Resolution”), the Board authorizes and approves providing financing under the ISRF Program in a principal amount not to exceed \$3,200,000 to the Borrower for the costs of the Project (the “ISRF Financing”), subject to the execution of a financing agreement between IBank and the Borrower and associated financing documentation (collectively, the “Financing Agreement”). Such Financing Agreement shall reflect the Board-approved financing terms and conditions as set forth in Attachment B hereto.

**Section 3.** All actions heretofore taken by the officers and employees of IBank with respect to the consideration and approval of the ISRF Financing are hereby approved, confirmed and ratified. IBank’s Executive Director (the “Executive Director”) or the Executive Director’s assignees, each acting alone, is hereby authorized and directed, jointly and severally, to perform

their duties, provide funding, take actions and execute and deliver the Financing Agreement and any and all other financing documents and instruments they may deem necessary or desirable in order to (i) effect the financing of the Project, (ii) facilitate the transactions contemplated by the ISRF Financing, and (iii) otherwise effectuate the purposes of this Resolution.

**Section 4.** This Resolution shall not be construed as an unconditional commitment to finance the Project, but rather IBank's approval pursuant to this Resolution is conditioned upon entry by IBank and the Borrower into the Financing Agreement, in form and substance satisfactory to IBank, within 180 days from the date of its adoption. Such satisfaction is conclusively evidenced by IBank's execution and delivery of the same.

**Section 5.** For purposes of assisting the Borrower in seeking reimbursement for any Reimbursable Expenditures pursuant to Federal Tax Law, the Board hereby declares its reasonable official intent to use proceeds of tax-exempt bonds to reimburse the Borrower for any such Reimbursable Expenditures. This declaration is made solely for purposes of establishing compliance with applicable requirements of Federal Tax Law. This declaration does not bind IBank to provide the ISRF Financing or to reimburse the Borrower any of its Project expenditures.

**Section 6.** This Resolution shall take effect immediately upon its adoption.

### Financing Terms

Staff recommends approval of Resolution No. 20-22 authorizing ISRF Program financing to the City of Half Moon Bay for the City Hall Purchase Project as follows:

1. Applicant/Borrower: City of Half Moon Bay
2. Project: Corporation Yard Acquisition and Modernization Project
3. Amount of ISRF Financing: \$3,200,000
4. Maturity: Not to exceed 30 years
5. Repayment/Leased Asset: General Fund Lease provides IBank with a leasehold interest on Corporation Yard (“Leased Asset”).
6. Interest Rate: 2.5%
7. Fees: The Borrower to pay the origination fee of 1.00%, \$32,000 upon loan closing, and an annual fee of 0.30% of the outstanding balance.
8. Not an Unconditional Commitment: IBank’s resolution shall not be construed as unconditional commitment to finance the Project, but rather IBank’s approval pursuant to the resolution is conditioned upon entry by IBank and the Borrower into an ISRF Program financing agreement(s), in form and substance satisfactory to IBank.
9. Limited Time: The Board’s approval expires 180 days from the date of its adoption. Thus, the Borrower and IBank must enter into the Financing Agreement(s) no later than 180 days from such date. Once the approval has expired, there can be no assurances that IBank will be able to provide the ISRF Financing or consider extending the approval period.
10. ISRF Financing Agreement Covenants: Aside from usual and customary terms and conditions for this type of ISRF Financing, Staff recommends the Financing Agreement include without limitation, the following additional conditions and covenants:
  - a. Comply with all applicable requirements of the Criteria.
  - b. Budget and appropriate funds sufficient to make annual Lease payments.
  - c. Procure a title insurance policy.
  - d. Not encumber further the Leased Asset.
  - e. The Borrower provide to IBank within 180 days of the end of each fiscal year a copy of its audited financial statements, together with an annual certificate demonstrating compliance with the foregoing covenants, as well as other information as IBank may request from time to time.
  - f. Evidence satisfactory to IBank of the Borrower’s entitlement and authorization to construct the Project improvements and use the Project for its intended purposes as a condition of disbursement.
